THIS valuable Medicine, which has become seleeffected through its agency, has induced the proprie-tors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confi-lence in its virtues and wonderful curative proper-ties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gen-tlemen well known in their localities, and of the high-estrespectability, many of them residing in the city of Richmend, Va.

I had several Physi-cians, took large quantities of Quinine, Mercury, and I believe all the Topics advertised, but all without permanent relief. At last I tried Canter's Spant th dixtute, two bottles of which effectually pured me, and I am happy to say I have had neither Chille or Pevers since. Dr. MINGH, a practising Physician, and fermerly of the City Hotel, in the city of Lichmond, says he has witnessed in a number of instances the effects of

Carter's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed. SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint of 8 years standing, by the use of two bottles of Carter's Spanish Mizture. GREAT CURN OF SCHOPULA.-The Editors of

We clip the following from the New York Tribune of Monday. Our readers will not be at a loss to ascertain to what journal it has reference. The burlesque is admirable: it could not have been done better even by the chief editor of the notorious New York Herald.
